The organization represents 37 independent college funds and their 630 affiliated colleges and universities.

First biochemistry majors graduate

Two members of the Class of '99 became the first Wartburg students to graduate with a biochemistry major.

Dr. Warren Zemke, chemistry department chair, said the new major was offered for the first time last year. Seniors Lian-Fai Yee, a biology major from Cedar Falls, and Jason Wubben, a chemistry major from Algona, completed requirements for a second major in biochemistry during their final year.

FIRST BIOCHEM MAJORS—Lian-Fai Yee '99, left, and Jason Wubben '99, right, are the first Wartburg students to graduate with a biochemistry major. Professors in the back row, from left, are Dr. Warren Zemke, physical chemistry; Dr. David Hampton, organic chemistry; Dr. Keith McClung, biochemistry; and Dr. Denis Drolet, analytical and inorganic chemistry.

"We are excited about the new opportunities biochemistry brings to Wartburg science students," Zemke said. "Down the road we can envision having more biochemistry majors than chemistry majors."

Zemke added that the major opens up significant collaboration between the biology and chemistry departments. In addition to two courses in biochemistry, the new major requires a minimum of five courses in biology and six courses in chemistry, along with physics and calculus.

Dr. Keith McClung, assistant professor of biology, teaches the biochemistry courses. He has 12 years of research experience and holds three patents on his studies on prohibitin and its role in breast cancer development. He brought with him much of the equipment in Wartburg's new biochemistry lab. It includes fast protein liquid chromatography (FPLC) and protein electrophoresis systems.

Also new to Becker Hall is a computational chemistry lab, the result of a $21,000 grant from the National Science Foundation in July 1998. The college must raise an additional $22,000 to complete the project, which includes a six-station lab and portable multimedia cart for instructor presentations.

The computers are equipped with a comprehensive computer package for calculating properties, energies, and spectra for a large variety of molecules. The grant also provided funds for installing sophisticated computer programs for research-level calculations on a UNIX workstation.

In 1997, the old instrument room in Becker Hall was doubled in size, enhanced with new equipment, and configured to give students immediate access to the instrument room from the organic lab.

Science, religion join forces in interdisciplinary course

Religion and chemistry professors are joining forces this year to team-teach an interdisciplinary course called Science and Religion: The Search for Integration.

Taught by Dr. Warren Zemke, professor of chemistry, and Dr. Chip Bouzard, assistant professor of religion, the course will focus on the Human Genome Project. It will include a hands-on lab experience aimed at demonstrating evidence for molecular evolution.

May class forges ties with Honduras

▶ *by Dr. Fred Strickert, professor of religion and instructor for The Church in Latin America*

It all began with a simple e-mail message: "Our country is in ruins. Hurricane Mitch has brought devastation and loss of life to Honduras."

When Orlando Vallandares '93 wrote in November 1998 to Wartburg professor Kim Folkers, little did he realize that the response would lead to a May Term class, "The Church in Latin America," that would help in his country's recovery.

IN HONDURAS—Emily Decker '01 of Dubuque, left, and Mindy VanCleave '00 of Bloomfield, right, help Nina Fernandez, center, rebuild her house. Dr. Fred Strickert is working at far right.

Prior to arrival in Honduras, class members read about the history and culture of Central America and especially the role of the church. Once in Honduras, we learned firsthand, under the direction of the Christian Commission of Development, what the church was doing to assist in rebuilding.

Each evening, we gathered to discuss the textbook, *Reading the Bible Through Third World Eyes.*

Seeds for the Honduras trip were sown long ago. In the early '90s, 10 Hondurans came to Wartburg under a special government scholarship program.

Then a year ago, on my return from May Term in Israel, I had a surprise encounter.

"Dr. Strickert," I heard someone call along the streets of Luxembourg. It was Honduran Douglas Amadour '93, taking a break from an economics course in Amsterdam. Small world.

"Waverly, Iowa. Israel. Luxembourg. Isn't it about time you pay a visit to Honduras?" Douglas joked with me.

"Someday...," I offered as a half-hearted promise.

Then came the e-mail from Orlando and the CNN video footage of the Hurricane damage. It was only natural for the May Term trip.

The first day we arrived, Douglas was there to meet us, along with classmates Patty Guzman '93 and Dora Guillen '93. Their hospitality was an added dimension of the experience.

Celeste Matute '92 now manages a small hotel in the mountains overlooking Tegucigalpa. She hosted us there for a special evening of Honduran food, dancing, and cultural enrichment. The alumni also planned a weekend trip for us to the Mayan ruins at Copan.

"Our Honduran alums are the greatest," said Angie Sup '00. "Who better to serve as tour guides? They made the trip that much better."

Dr. Linda Wolf, director of international student programs, noted that building supplies for the relief efforts were purchased by Church World Service. "Providentially, the Waverly CROP walk, with participation from students, alumni, and community, corresponded to our first Sunday in Honduras," she said.

And so, what began with a simple e-mail message ended up with two newly built houses, new relationships, a deeper understanding of our Latin American neighbors, and renewed acquaintances and partnership among current students, alumni, faculty, and community.

"It's not ending; it's only beginning," our students confirmed as they exchanged e-mail addresses with their Honduran friends on the last day of the trip.

Wartburg tops previous record

Wartburg's enrollment set four records this year, according to Dr. Edith Waldstein '73, associate vice president for academic affairs and associate dean of the faculty.

Total enrollment is 1,546, the highest in the college's history. The college also set a new record in full-time students with 1,478. That contributed to a new high in full-time equivalency of 1,509, a figure that factors in part-time students.

The senior class, with 357 students, is the largest in college history. The number of full-time transfer students increased from 48 in 1998-99 to 61 this year.

Wartburg President Jack R. Ohle credited Admissions Director Doug Bowman and the admissions staff for their work, and he cited the Wartburg faculty's commitment to working with prospective students as an influential factor in the college's enrollment success.

Wartburg's first-year class includes four National Merit Scholarship finalists and 39 students with ACT composite scores of 30 or higher.

"We are pleased that Wartburg continues to attract fine students who enhance our academic environment and provide leadership throughout the campus," Ohle said. "We are determined to maintain Wartburg's high academic standards and to remain affordable for our students and their families."

Price named to Iowa Broadcasters Hall of Fame

Grant Price, professor emeritus of communication arts, was inducted into the Iowa Broadcasters Association Hall of Fame in June. The recognition goes to Iowans who have made lasting and significant contributions to the community, State of Iowa, and the broadcast industry.

Price joined the Wartburg communication arts faculty in 1990 after a half-century career in broadcasting, most notably at WMT-TV in Cedar Rapids and KWWL-TV in Waterloo.

For the past five years, he has traveled the state, collecting videotaped interviews of the founders of Iowa broadcasting as part of the Iowa Broadcasting Oral History Project.

The first compilation of that material, a one-hour documentary video titled, "Opening a Whole New World: A History of Broadcasting in Iowa," was released in May. He also has spearheaded a project to create the Iowa Broadcasting History Archives, which is housed in the Vogel Library at Wartburg.

FOOTBALL:

Knights achieve first perfect regular season

The Knights broke or tied 11 school and three Iowa Conference records on their way to the first perfect regular season schedule in Wartburg football history. The team's only loss for the year came in a second-round playoff game against Pacific Lutheran University of Tacoma, Wash., the eventual national champion.

Wartburg finished 10-0 in the Iowa Conference, winning its seventh football championship and tying school and conference records for most wins in a season. The Knights won 10 games in 1994, but that included a playoff win. The closest a Wartburg team had previously come to a perfect season was in 1958, finishing 8-0-1 after a 6-6 tie with Luther in the season opener. Central set the Iowa Conference record last year with a 10-0 mark.

Selected as the top seed in the West Region, Wartburg drew a bye in the first round of the NCAA Division III playoffs. The Knights hosted Pacific Lutheran in the second round and dropped a 49-14 decision. The Lutes went on to defeat St. John's (Minn.), Trinity (Texas), and Rowan (N.J.) to win the national title.

Quarterback Matt Wheeler of West Branch and flanker Ryan Rausch of New Hampton did the most damage to the record book.

Wheeler ended his collegiate career with 362 completions in 595 pass attempts (60.8 percent) for 5,368 yards and a school-record 59 touchdowns. He threw only 21 interceptions in two-and-a-half seasons as the Knights' starting quarterback.

Wartburg finished the regular season ranked fifth in the nation by the football coaches association, 11th in scoring offense, 15th in turnover margin, and 19th in total offense.

Wheeler finished 10th in the country in passing efficiency. Rausch was 24th in scoring offense and 26th in receiving yards per game. Defensive back Dave Devine of Denver was tied for 23rd in interceptions.

(Note: all statistics are for the regular season only. The NCAA mandates that postseason play not be included.)

SOCCER:

Teams struggle through season

The Wartburg men's soccer team finished 2-11-1 in all matches and ninth in the Iowa Conference with a 1-8 record. The women were 4-13 in all matches and 2-7 in the league, tying William Penn for eighth place.

The men, in particular, suffered from lack of numbers and injuries, making their offense non-existent. After posting a 2-0-1 record in their first three matches, the Knights went nine matches with just one goal until scoring two against Cornell in a 4-2 loss.

During that same time period, the Knights were outscored 54-1. Forward Randolph Cooper of Liberia finally broke the drought by scoring twice against the Rams. However, the offense went back into hibernation, and the Knights were shut out in the season finale.

While the women lost six of their last seven matches, three in shut-outs, they also dropped three matches by just one goal each. They won their season finale 2-1 over Hamline (Minn.).

CROSS COUNTRY:
Men win eighth conference title

The Wartburg men's cross country team brought home its eighth Iowa Conference championship in 1999 and qualified as a team for the national meet for the first time since 1988. It was the fifth time in the last eight years that Wartburg has sent a men's or women's team to the national championship.

After earning their fourth conference championship of the '90s, the men placed fourth at the Central Regional meet in Waverly. They entered the national race as the fifth-ranked team in the region and placed 15th.

The varsity women, seeking a repeat of last year's conference title, were edged by Luther 32-40. They finished fifth in the Central Regional, one place out of the money, but qualified one individual, Erin Ries of Ryan, for the national meet.

IIAC CHAMPION AND MVP—Adam Sundall of Algona was the Iowa Conference champion and later was named the MVP in men's cross country. Sundall, a first-year runner, now has an opportunity to become the first male harrier in IIAC history to win four individual titles.

Both JV teams won their conference races with the men outscoring Luther 15-62 and the women defeating the Norse 23-42.

In the conference men's varsity race, Wartburg outdueled host Buena Vista 21-53.

"It was a dominant performance by our varsity men," said coach Steve Johnson. "This is the best team we've had in a long time. Our runners made a lot of improvement, and our first-year runners helped us a ton."

One of those first-year runners, Adam Sundall of Algona, was the individual winner with a time of 26:16.5 and was named the men's Most Valuable Player.

Johnson was not unhappy with the varsity women's performance.

"We couldn't have done any better," he said. "We ran as well as we could, and that was pretty good considering that we graduated five of our top seven runners from a year ago. There was a lot of improvement by runners who had not seen varsity action before this year."

VOLLEYBALL:

A year of growing pains

"It was a year in which we experienced a lot of growing pains," said second-year volleyball coach Jennifer Semler as the Knights finished the season with a 15-17 record in all matches and a 6-4 record in conference play.

The team faced a major rebuilding job after graduating six seniors who had compiled a 97-37 record over a four-year period. Semler put together a line-up of first-year and experienced players, and Wartburg surprised everyone by getting off to a 13-7 start. However, the Knights then ran into a stone wall, ending the season with eight straight losses.

"It is somewhat understandable," Semler said, "because we were in the toughest part of our schedule. Six of those losses were to ranked teams."

Wartburg recovered to win its first two matches in the season-ending Iowa Conference Tournament but then fell to Dubuque and Simpson. The Knights finished fourth in the tournament and fifth in the Iowa Conference standings.

"Our younger players bounced back, and we ended the season on a positive note to give us some momentum heading into next year," Semler said.

IIAC MEDAL WINNER—Kristi Kischer of Atlantic was one of three players on the Wartburg women's tennis team to earn an Iowa Conference medal at this year's IIAC tournament.

WOMEN'S TENNIS:

Women place fourth in IIAC tourney

The Wartburg women's tennis team closed out the regular season with a 7-3 dual meet record, defeating every IIAC team it met, except Luther and Cornell.

The Knights then placed fourth in the IIAC Tournament with 63 points, seven behind third-place Loras. Luther won its 18th consecutive championship.

Medal winners for the Knights included Kristi Kischer of Atlantic, third in the second flight singles; Amy Taylor of Waverly, third in third flight singles; and Kathryn Bauer of Waverly, third in fifth flight singles.

WOMEN'S GOLF:

Black, Scheidel pace women

The women's golf team placed seventh at the Iowa Conference Tournament with a 774 score.

Sarah Black of Independence and Nicole Scheidel of Ossian each shot a 191 to pace the Knights.

Simpson won its fourth straight IIAC title with a 670, 18 strokes better than runner-up Buena Vista.

Wartburg athlete named finalist for 1999 National NCAA Woman of the Year award

Trina Steines Knoche, a track and cross country standout who graduated last spring, was the Iowa winner and one of 10 national finalists for the 1999 NCAA Woman of the Year Award.

The award was presented at an Oct. 24 dinner in Indianapolis, Ind. It honors outstanding female student-athletes who have excelled in the collegiate environment beyond their athletic pursuits with academic achievements and community involvement.

Knoche is Wartburg's first national champion in track and field, winning the 1998 outdoor 800 meter run. She was the national runner-up last spring. She also placed third in the 1998 and 1999 indoor 800. She was a 10-time 1,500 and 800 meter indoor and outdoor champion in the Iowa Conference and a member of two distance medley championship teams.

She was named to the U.S. Track Coaches Association All-Academic Team nine times and to the Iowa Conference All-Academic Team four times. Off the field, she served as vice president of Wartburg's chapter of the American Marketing Association from 1996 through 1999 and was a high school track and field official. She also participated in the Adopt-a-Grandparent program, the mentoring program, and the Fellowship of Christian Athletes.

A business administration major, Knoche had a cumulative grade point average of 3.623. She is Wartburg's second Woman of the Year finalist, following Robyn Olson, a 1995 finalist who also excelled in track and field and cross country.

Jamila Demby, track and field athlete at the University of California, Davis, won the Woman of the Year award. Other 1999 finalists selected from the 51 state-level winners were Erin Baxter, soccer, University of Florida; Stephanie White-McCarty, basketball, Purdue University; Emily Stauffer, soccer, Harvard University; Jayna Mathieu, cross country , track and field, St. Olaf College; Suzanne P. Eastman, soccer, Dartmouth College; Theresa Marie Lang, basketball, North Dakota State University; Jamiee Heffner, track and field, soccer, and volleyball, Washington and Jefferson College; and Charlotte Davis Quesada, rowing, University of Virginia.

Women cagers second in nation in team GPA

The 1998-99 Wartburg women's basketball team finished second in the nation on the Women's Basketball Coaches Association Academic Top-25 Team Honor Roll for Division III. Two years ago, Wartburg led the nation in team GPA, and last year it was fourth.

The Knights had a team GPA of 3.619 in 1998-99, while Emory University (Ga.) led with 3.640. Other Iowa Conference schools behind Wartburg on the Honor Roll were Central, fifth, Buena Vista 11th, Simpson 14th, and Luther 19th.

Wheeler competes in Aztec Bowl

Wartburg quarterback Matt Wheeler of West Branch completed five of seven passes for 85 yards and a touchdown as the U.S. Team of Division III All-Stars defeated the Mexican National Team 44-13 in the 1999 Aztec Bowl. A crowd of 12,000 watched the Dec. 18 game at Wilfrido Massieu Stadium in Mexico City.

Initially, it was questionable whether Wheeler would be able to play in the bowl game. He was recovering from a shoulder separation suffered in the second quarter of the Wartburg-Pacific Lutheran NCAA Division III playoff game on Nov. 27.

Wheeler extended the U.S. team's 7-0 lead to 14-0 in the second quarter when he hit Steve Vagedes of Ohio Northern with a 33-yard touchdown pass.

Ron Schipper, the legendary former coach at Central College, was head coach of the U.S. team, which was sponsored by the American Football Coaches Association.

National Wrestling Coaches Association recognizes Miller

Wartburg wrestling coach Jim Miller was recognized among the nation's top wrestling coaches at the annual convention of the National Wrestling Coaches Association.

Miller, who in 1998-99 coached Wartburg to its second NCAA Division III national championship in the past four years, received an Excellence in Coaching Award. Other winners of the award were Jay Robinson of the University of Minnesota, Pat Pecora of the University of Pittsburgh-Johnstown in Pennsylvania, and Steve Lampe of Colby Community College in Kansas.

Large or small, capital, annual, or deferred, these gifts sustain the vision and support the mission of Wartburg College. Through your gifts, Wartburg dares to be distinctive in preparing graduates to move into a wide spectrum of positions where they excel professionally and provide leadership and service in their communities.

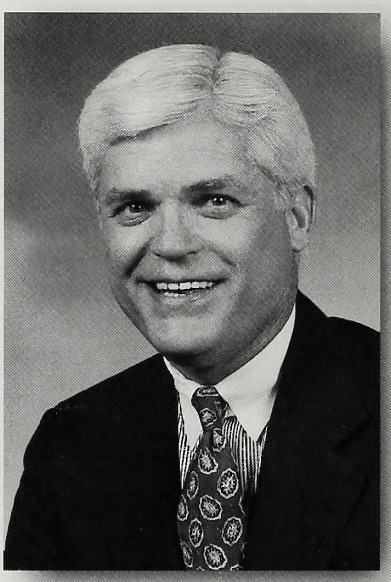
1998-99 Annual Report

Compiled by the Wartburg College Development Office, 222 Ninth St. N.W., P.O. Box 1003, Waverly, IA 50677-0903, 319-352-8495 or 1-800-772-2085, ext. 8495.

Chairman's Message



The 1998-99 school year was one of tremendous activity and progress at Wartburg College. The college has been strengthened throughout its history by a rich tradition of people and events that have molded it into the institution it is today. During the past year, those traditions were reaffirmed and enhanced by the energy and progress that is evident throughout the college and reported in this annual report.

One only has to walk the campus to get a sense of the excitement at Wartburg. Construction projects are in various stages of completion, learning is being shared by faculty and students in classrooms and laboratories, the new library has become a center of activity, and the talents and abilities of our students are showcased frequently in concerts, athletic events, and other activities. Wartburg is truly a college on the move!

Many of you are involved in the work of Commission Wartburg, which was initiated in April. The involvement of alumni and friends is absolutely critical in meeting the challenges of the future. Your efforts in that regard will help chart the course of our college into the new century, and I thank you for your service.

This annual report documents an exceptional year in fundraising. Thanks to 6,379 alumni, parents, friends, businesses, foundations, churches, and organizations it was a record year! Wartburg continues to provide a top-quality liberal arts education for its students. It is particularly gratifying to note that so many people recognize the distinctive character of the college and find that it merits their support.

Under the capable leadership of President Ohle, the college is poised to accomplish exceptional things. I hope that as you review this report you share my sense of optimism for the future. On behalf of the Board of Regents, I thank you for your continued interest in and support of Wartburg College!

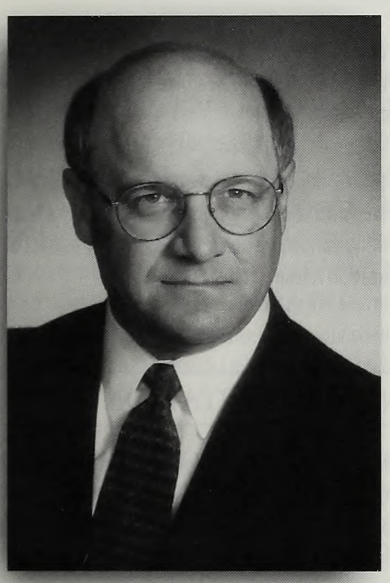
Chair, Board of Regents

President's Message



Dear Alumni and Friends of Wartburg College,

It's been a year since I communicated with you in the last annual report. What a year it has been! Kris and I have had opportunities to meet many of you at reunions, Outflys, receptions, meetings, and other events on behalf of the college. Our initial impression that Wartburg College is a special place has been confirmed over and over. While this has been a year of transition, the constant is that Wartburg continues to warrant your respect and support.

The work of the faculty on the "Essential Education" curriculum revision, the kickoff of Commission Wartburg, record-setting enrollment, conference championships (and one national championship!), and outstanding music performances are just a few of the activities that highlighted the 1998-99 year. Every day, something interesting and exciting is happening at Wartburg!

This report gives us an opportunity to thank you, our alumni and friends, for your generous financial support. Gifts given to Wartburg in 1998-99 totaled almost eight million dollars, a record amount! Those gifts provide resources to enhance the quality of the Wartburg experience for current and future students. This college has served thousands of students over almost a century-and-a-half. Your support allows us to build on that tradition, and for that we are truly grateful!

We want to continue engaging you in Wartburg's future. Your gifts are important. So are your ideas. We want your thoughts about ways to involve you in the ongoing work of the college. We want to involve you in this enterprise that "challenges and nurtures students for lives of leadership and service as a spirited expression of their faith and learning."

The past year has been eventful, challenging and rewarding. On behalf of everyone who cares about Wartburg College, I thank you for your support and look forward to another year of working together to advance Wartburg College as one of the best small colleges in the nation!

Jack R. Ohle
President

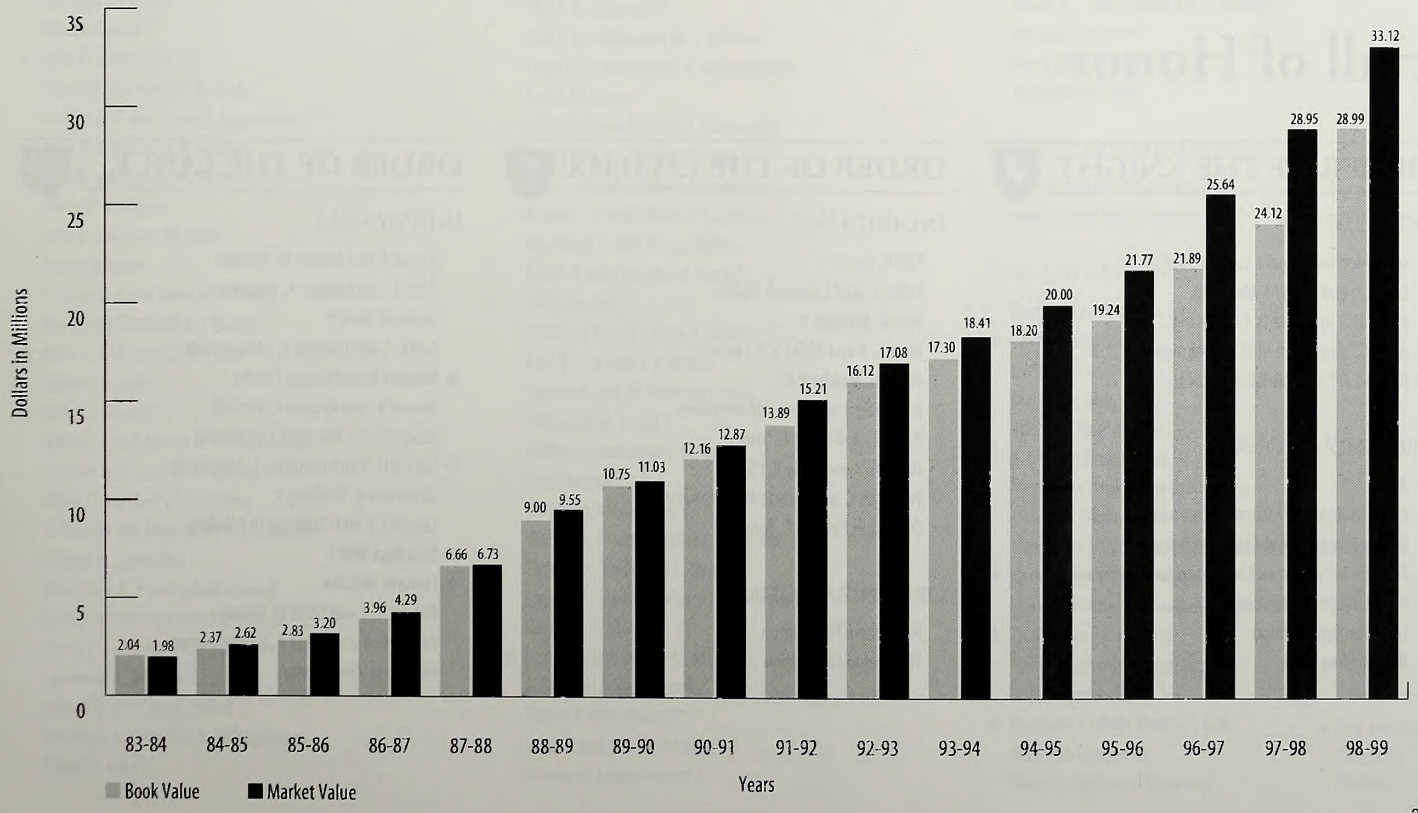
Endowment History



The Presidents Round Table

Purpose

The Presidents Round Table honors and recognizes those who have made significant financial contributions to the college and its mission and involves them in deliberations about Wartburg College and its aspirations for the future.

Qualifications

Individuals, corporations, and foundations with cumulative gifts to the college of $50,000 or more qualify for membership in the Presidents Round Table. Gifts of cash, securities, real estate, and personal, business, or corporate property are credited toward membership. Irrevocable charitable gift annuities, charitable remainder trusts, and college-owned insurance policies are credited at the cash value of the gift.

The college will honor the wishes of donors who want to remain anonymous or prefer that the order to which they duly belong not be publicly recognized.

Recognitions will be grouped according to six orders:

- Order of the Castle $5,000,000 and more
- Order of the Knight $1,000,000 and more
- Order of the Chalice $500,000 and more
- Order of the Lance $250,000 and more
- Order of the Plume $100,000 and more
- Order of the Gate $50,000 and more

WARTBURG COLLEGE

Heritage Club

Heritage Club membership is offered to alumni, parents, and friends who make future provision for Wartburg as part of their estate plans. More than 1,000 individuals representing over 600 family units now belong. Documented future provisions for the college by Heritage Club members exceed $28 million.

Heritage Club continues to be a major factor in building the college endowment. Endowment secures Wartburg's future. It provides support for quality education, a strong faculty, and scholarships that attract qualified students. Endowment also supports facilities, programs, and technology.

You can make a difference for Wartburg now and in the future by joining this group of committed individuals. Simply inform us that you have made future provision for Wartburg College. If you prefer a visit, let us know.

A Heritage Club brochure with a membership enrollment form is available from the Advancement Office. Phone: 319-352-8490, e-mail: nelson @ wartburg.edu

WARTBURG COLLEGE

Tower Club

The Tower Club recognizes alumni, parents, and friends of the college who provide $100 or more to Wartburg's Annual Giving program. Priorities for annual support in 1998-99 included scholarships, campus technology, and ensuring facilities that allow Wartburg to offer an enriching academic and residential experience. Annual gifts support special initiatives and provide a dependable stream of income to support opportunities for students that are critical to the college's distinctive education. It would take an additional $23 million in endowment to replace the revenues your annual gift provides the college each year.

Tower Club recognition:

Diamond . . . . . $5,000 and above
Platinum . . . . . $2,500–$4,999
Gold . . . . . $1,000–$2,499
Silver . . . . . $500–$999
Bronze . . . . . .$250–$499
Orange & Black . . . . . .$100–$249

Tower Club recognition includes the following parameters:

- Matching gift funds are credited to the donor's contribution for recognition purposes.
- Recognition levels in this report include gifts received from June 1, 1998, through May 31, 1999.

WARTBURG COLLEGE

The Stalwarts

Wartburg's continuing ability to provide students with the opportunity to explore possibilities and make learning an adventure is made possible by many alumni, parents, and friends who have been steadfast in their support. We are proud to highlight for special acknowledgement The Stalwarts—those alumni, parents, and friends who gave a gift this year and have also given annual support to Wartburg for the past 10 years. We also recognize other Stalwarts, those whose cumulative gifts to Wartburg range from $10,000 to $49,999.

WARTBURG COLLEGE

Alumni

To the alumni whose names appear in this report, we say thank you. One of the marks of a distinctive college is the percentage of alumni who contribute annual support for the college's mission and vision. At Wartburg, the roll of alumni includes those who have attended the college for at least one year. In 1998-99, 9 percent of former student alumni and 31 percent of graduates provided support for the college.

The roll of alumni donors on the following pages includes the amount contributed by each class. Alumni gifts for for 1998-99 totalled $1,263,621.82.

With your continuing support, we will achieve and sustain our goal of 40 percent annual alumni participation.

* Company matching gift funds were received in addition to the donor's contribution.

WARTBURG COLLEGE

Parents

Wartburg parents are a key to the college's future. In addition to their financial assistance, parents also provide the college with students, and they are effective in telling the Wartburg story.

Wartburg College thanks parents for their loyalty and participation. "Once a Wartburg parent, always a Wartburg parent." Your interest and support are appreciated. Parent gifts for 1998-99 totalled $304,657.71.

* Company matching gift funds were received in addition to the donors contribution.

CONSTRUCTION BEGINS—These "townhouse" living units will provide additional housing on the north edge of campus.

New housing, campus entrance planned

The Board of Regents approved additional campus housing and a new entrance to the campus at their fall meeting in October.

Construction is under way on the housing units. The two-story "village" townhouses, located east of Afton Manor on the north edge of the campus, will accommodate 88 students. Haefner House, a college-owned house, was razed to clear the construction site.

According to President Jack R. Ohle, the college hopes to open the new units next fall. Ohle said the project will enable Wartburg to meet its goal of housing at least 85 percent of students on campus. That figure dropped to under 80 percent this year as more students were allowed to live off campus due to increased enrollment.

Initially, occupancy will be restricted to seniors, and cooking facilities will be available. Individual units will house from four to six students in single or double bedrooms.

The Regents also approved a plan to begin landscaping and development of a new campus entrance on Ninth St. The first phase, which will get under way this spring, will involve construction of a turnaround on Ninth St. near the Wartburg Chapel. A new through street will be developed from the turnaround east to Eighth St. Ohle said the one-block through street will maintain the integrity of the view from Bremer Ave. to the chapel.

Book royalties enhance scholarship fund

Royalties from a children's book by the late Marion Chapman Gremmels '52 have added approximately $2,000 to a scholarship that bears her name.

Gremmels book, *The Cat Who Knew the Meaning of Christmas*, was first printed in 1972. It was reissued in 1996 by Augsburg Fortress Publishers. Her family has donated the royalties that have accrued since then to the Marion Gremmels Memorial Women's Studies Scholarship.

Gremmels was an assistant professor of English from 1974 until her death in 1987.

Wartburg recognized for character development

Wartburg's First Year Program is profiled in *The Templeton Guide: Colleges That Encourage Character Development.* Published by the John Templeton Foundation, the guidebook is designed for students, parents, and educators who believe that character matters.

Wartburg's First Year Program includes an outdoor challenge course that teaches teamwork, cooperation, and problem-solving skills; case-study discussions on life in a residence-hall community; workshops on adjusting successfully to college life; and an interdisciplinary social science course that challenges students to articulate their values.

Communication arts students work with local cable channels

Wartburg students are now responsible for programming Waverly's local cable channels as well as Wartburg Television.

Under changes that took effect Nov. 11, Wartburg Television moved from Channel 13 to Channel 8. Two community channels formerly located at Channels 8 and 10, were temporarily consolidated at Channel 10.

Dr. Jeff Stein, Wartburg Television adviser, said students will be responsible for encouraging production of additional community-based programming on Channel 10. Currently, they update public service messages that scroll on the channel.

The psychiatrist from St. Louis, Mo., earned one of five places in the U.S. 65-69 age group by winning a qualifying race. He finished second in his age group at the 1998 Hawaiian Ironman.

Wolfgram was a high school athlete in his hometown of Maynard but did not participate in athletics again until he was 48.
